The event was divided into Formal and Cultural sessions.

Formal session

The event was hosted by **Ms. Alisha Tripathi**, student from grade XII. The event began with the national anthem where everyone stood up and sang along, offering respect for the country. After that, Ms. Tripathi welcomed Ms. Sunabi Pokharel from grade VIII for the welcome speech in the Sanskrit language. Then, Ms. Tripathi welcomed Ms. Sagina Maharjan for the formal welcome note. Ms. Maharjan is one of the faculty members of the school, delivered a warm welcome speech and highlighted about reading - writing - demonstrating principles of the school. After the formal inaugural was over, the students performed Swasti Bachan which was mesmerizing.

Cultural Session

The performing arts session started after the Welcome Speech, where DSS Dance Club showcased their dancing expertise in the form of “**Dhime Dance**”. It was breathtaking performance which highlighted the Newari culture of Nepal.

After the Dhime dance, the cultural session transitioned smoothly. Then there were enthralling musical performances from DSS Music club. The first performance was from the students of grade XI. They presented beautiful songs - “**Pareli Ma**” by 1974 A.D and “**Farki Farki**” by Albatross. Another beautiful performance was from Prason Man Shrestha (Grade X) where he played a solo guitar instrumental by G.O.A.T. After that, Ansel Dhungana (Grade XI) performed a solo keyboard instrumental Canon D. Following them, the students of Grade XII performed a song “**Wish You Were Here**” by Pink Floyd, “**Soch**” by Rachana Dahal and “**Knockin’ on Heaven’s Door**” by Guns n Roses. The high school students performed a wonderful medley of “**Kehi Mitho**” by Swor Samrat Narayan Gopal which filled the audience with nostalgia. The audience appreciated and admired the performances.

After the Musical performances, the Visual Art club presented a satire which reflected the mindset of the society; how children want to follow their dreams of becoming artists but due to parental pressure they are forced to be involved in something they are hardly interested in. The students then did a live spray painting while a soft background was being played. Once it was completed the students presented their artwork where audience seems mesmerized by that and even compelled them to realize that children can only progress if we let them choose their own paths.

In the event, Mr. Ujjwal Poudel, HOS of Plus Two awarded certificates and medals to all the students from Grade VIII - XII who participated and had won the sports competition held during the Sports Week, 2077.

Shortly after the certificates were distributed the students of the Drama club presented a short play - "नजीर" which captivated the audience. The message delivered through the play was 'Decisions made in anger can lead to wrong doings'. Towards the end of the program, Dance club presented their dance skills in the form of Tappa dance - an upbeat and energetic performance.

At the end of the session, Mr. Kuldeep Kumar Gupta, HOS of High School delivered the closing remarks on the Deerwalk Sifal Night. He shared his views on the significance of performing arts, how the students can build a career in it as well as it being an added skill of their respective careers and thanked all the guests, stakeholders and faculty members.

Strengths and areas for improvement

Strengths	Areas for improvements
Remarkable presence of audience.	Full event coverage photography is encouraged as some performances' photos were missing.
The assigned duties were carried out perfectly by the faculty members.	Students should be instructed well to avoid backstage disturbances.
The participants were full of energy even though they rehearsed in the first half.	Dance performances should be held first so that it is easier to collect and keep track of the costumes and accessories.
The program was on time, it was conducted smoothly.	Queuing up the certificate winners earlier could make the flow of event smoother.
