1. Describe the activities that you did during the field visit (50 to 150 words).

Ma'am told us to get our things such as our clipboard and writing materials ready. Then we went on the bus and left. It was a short trip. I saw a few schools and animals. I sat with two of my friends. At the "All tropical plant house" there were aquatic, terrestrial and weird plants. I didn't know the name of some plants. But the snake plant and super white aglonema were really beautiful. And the tadpoles were so cute. Then we went back to school.
