

Study From Home

Sifal School prioritizes the use of Education Technologies in teaching and learning. Our teachers are using various tools such as Canvass, Webpaint, Dualless, Gridview, and Wacom, etc. while conducting the online class through Google Meet to make the teaching/learning effective.

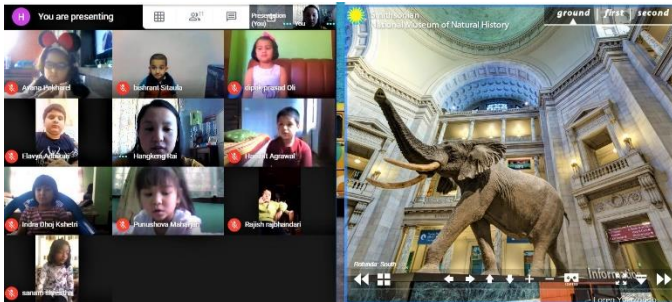

Monthly Test

From Jestha 26-30, students from Grade 1-10 appeared on the Monthly Test. The test is part of the 'Continuous Assessment System - CAS' Sifal School practices for evaluating the performance of students.

Field Visit - Lower School

The school organized field visit for Grade 1-3 students on Jestha 25. In the program, they virtually visited the Smithsonian National Museum of Natural History, Washington D.C., USA where they observed specimens of animals, including extinct animals.

BookTalk - High School

The school conducted the BookTalk program for the Grade 9-10 students on Jestha 25. In the program, Mr. Ram Acharya shared his experience of writing and publishing poems. He is primarily working on prose poetry and Gazal. BookTalk is a regular monthly activity at

Sifal School.

Quiz Contest - Middle School

Students from Grade 4 and 5 participated in the Quiz Contest on Jestha 25. The students from each Grade are divided into multiple groups and a quiz is conducted. This is a part of regular Term I school activities. Conducting quizzes on regular basis is helpful in building positive outlook on taking tests.

DSSTalk - Middle School

From Jestha 25, students from DeerExpress & Debate Club started this year's DSSTalk. The club began with Topic Session. On the Topic Session, the students speak on the topic of their choice for four minutes. Suprabh Acharya (Group A, Grade VI) became the winner of the session.
