

## Field Visit - Middle School

Sifal School organized the Field Visit for Grade 4-8 students on Asar 14 and Asar 28. In the program, the students had a virtual tour of the Smithsonian National Museum of Natural History, Washington D.C., USA (<https://naturalhistory.si.edu/>). The students observed the exhibits of a large collection of specimens of animals, including the fossils of the extinct animals.

## Physiotherapy Session

On Asar 14, students from Lower School (Grade 1-3) attended the virtual training session on Physiotherapy. They were trained in various techniques that decrease the side effects of continuous sitting posture and screen time. The students were encouraged to practice these techniques during the break time of the online classes.

## Reading Book Grading

During the first week of Asar, students took part in the grading process of the monthly reading books they read in Jestha. This was their first Reading Book Grading of the academic year 2077.

At Sifal School, students read one Nepali and one English fiction novels/storybooks every month. By the time our students graduate, they will complete reading 288 books. This is apart from the regular course books and DSS courses that they read. This aims to enhance the language skills of the students.

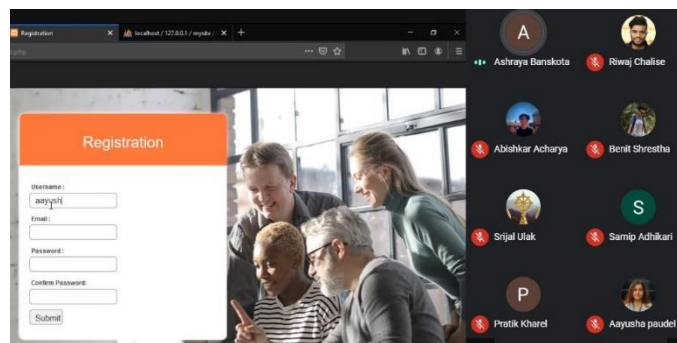

## Faculty Training

Sifal School continues to improve the 'Study from Home' program in accordance with the knowledge and progress of Education Technology. On Asar 9, DSS

faculties attended a Knowledge Sharing Session on 'Using Google in e-Learning'. The trainer in the program was Mr. Sagun Dhungana, a Google Certified Educator. In the program, the faculties had a vivid experience of using different tools and applications that can make learning a fun activity.

## Project Defense | Plus 2 School

Students from Grade 11 successfully defended their projects conducted on PHP language. This is the part of their DSS Credit course at Plus 2 School.

## Monthly Test | Asar

During the last week of Asar, students appeared on the Monthly Test. This is the part of the Continuous Assessment System (CAS) that school follows to evaluate the performance of the students.

## DSSTalk | Middle School

On the 2nd to 5th series of the Topic Session, Jiya Sapkota (Grade 8), Niharika Chapagain (Grade 8), and Rushina Tamang (Grade 7) became the winners, respectively. DSSTalk is a weekly school activity conducted by DeerExpress & Debate Club students.

## BookTalk | Asar

On Asar 28, school organized the BookTalk program for Grade 9 and 10 students where Mr. Subin Bhattarai was invited as the guest speaker. He shared his experience of writing and publishing novels to Grade 9 and 10 students. Mr. Bhattarai is a famous contemporary novel writer; his famous novels include Summer Love and Saaya.

Summer love is one of the bestselling novels in Nepal.

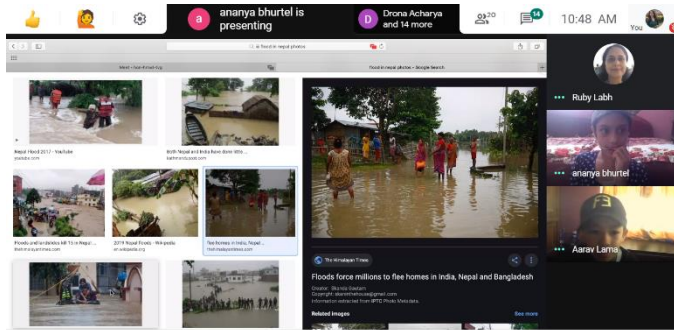

individual basis as well as group-wise. This is a part of regular Term I school activities. Conducting quizzes on a regular basis is helpful in building a positive outlook on taking tests.

### Current Affairs Talk

On Asar 28, school organized the Current Affairs Talk program where students from Grade 4-5 shared the events of political or social interest around the world at the present time.

### College Counselling | Plus 2 School

On Asar 28, school organized College Counselling program for Grade 12 students. The aim of this program is to help our students plan and prepare for their undergraduate studies.

In the program, Mr. Atish Adhikari was invited as the guest speaker. Mr. Adhikari spoke to the students about his journey of getting into the National Institute of Technology (NIT), India. Currently, he is working as a Software Engineer at Deerhold Ltd. He is an AI enthusiast and Data Analyst.

College counseling is the regular activity of Sifal School.

### Admission Open House Session | Grade 11

School is conducting Admission Open House Session (OHS) for prospective Grade 11 students. The aim of the OHS is to provide information about schooling at Sifal School to the prospective Grade 11 students and their parents and to help them choose a good school. It is being conducted twice a week from 4:30 PM to 5:30 PM.

### Quiz Contest | Lower School

On Asar 28, School organized quiz contest for Lower School (Grade 1-3). The quiz was conducted on an
