

Final Terminal Evaluation | Grade 11

Final Terminal Evaluation of Grade 11 was conducted from Bhadra 10 to 19. In the evaluation, students appeared on the theoretical and practical evaluation of the NEB-prescribed courses. The examination was conducted online.

The Deerwalker | Term I, 2077

The school released the sixth issue of the school magazine, 'The Deerwalker'. It is a student-run and led magazine and is published term-wise by The Deerwalker club. The magazine was mailed to parents, students, and the entire DSS family.

Co-editor-in-chief of the magazine, Kajal Bastakoti (a 12-grader) welcomes the readers with the message, "The main goal of our magazine is to encourage our young writers to probe their full potential with a broad range of informative and inquisitive areas like poetry, creative writing, book and movie review, and many more."

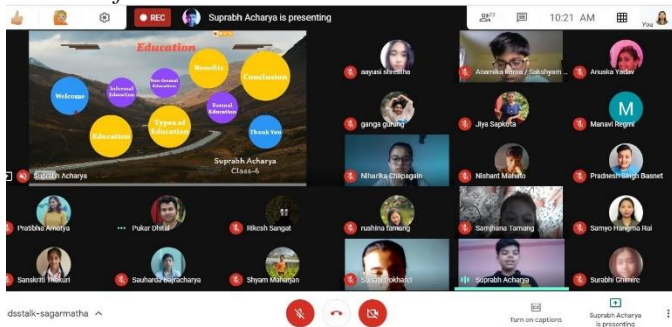

First Terminal Result, 2077

On Bhadra 16, school published the result of the First Terminal Evaluation of Grade 1-10. The evaluation was conducted from Shrawan 26-Bhadra 3. The Report Cards were emailed to the parents along with Term Summary and school magazine.

DSSTalk | Middle School

On Bhadra 14, DeerExpress and Debate Club held the Finale of the DSSTalk -Topic Session. On the Topic Session, participants speak on the topic of their choice for four minutes.

On the Finale, group winners of five series namely Suprabh Acharya, Sunabi Pokharel, Jiya Sapkota, Niharika Chapagain, and Rushina Tamang competed. From a very tough competition, Sunabi Pokharel from Grade 8 became the 'Champion of the DSSTalk - Topic Session of the Year 2077'.

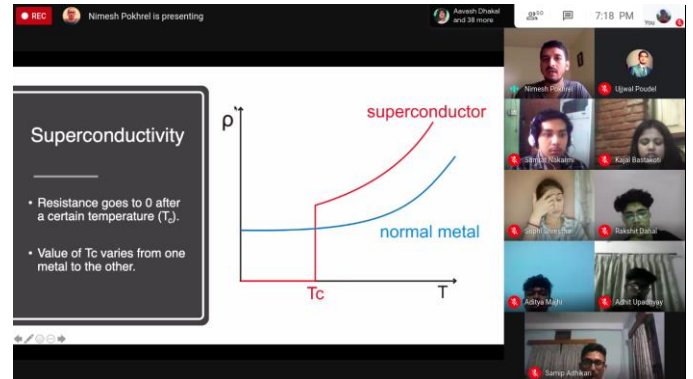

Writing Skills

Enhancing the writing skills of students is one of the major focuses of the school. From Bhadra, school has started to publish at least two articles (one Nepali and one English) on a daily basis from each school level - Lower, Middle, High and Plus 2 School. The articles are published on the online placeholders of the school, including 'Students' Corner.

ScienceTalk | Plus 2 School

School held ScienceTalk for Grade 11 and 12 students on Bhadra 30 where Mr. Nimesh Pokhrel was invited as a guest speaker. In the presentation, Mr. Pokhrel talked about 'superconductors and their applications in modern electronics' such as computers and sensors. Mr. Pokhrel is a researcher at Intel Corporation and is pursuing his Ph.D. from the University of Florida, USA.

Monthly Test | Bhadra

The School conducted Monthly Test for Grade 1-12 from Bhadra 29-31. This is the part of the Continuous Assessment System (CAS) that the school follows to evaluate the performance of the students.

BookTalk | High School

On the BookTalk program held on Bhadra 23, Mr. Rupak Adhikari was invited, where he spoke about the struggles in his writing career. He also talked about different techniques of writing. Mr. Adhikari is a Nepali teacher by profession, and he regularly writes poems and critics. The program was educational and interactive.
