

Academic Meeting

On August 15, 2024, Deerwalk Sifal School and Deerwalk Dhading School held a joint academic meeting focusing on "Review of Academic Performance: Learning Methods, Achievements, Challenges, and Future Plans." Heads of Schools and Department Heads from various levels discussed key actions, accomplishments, and strategies for improvement. The session emphasized their commitment to enhancing educational quality and addressing challenges. This collaborative effort showcased their dedication to ongoing excellence and future growth.

Result Distribution | ES & MS

Sifal School held the first term's result distribution for the Elementary School and the Middle School on August 23 and 30, 2024, respectively. Parents proudly received their children's marksheets and celebrated their achievements. They also enjoyed the impressive Project Work display.

Open Debate | Grade 5 & 7

The language department organized a debate competition for Grades 7 and Grade 5 in the English and Nepali medium respectively on 23rd August 2024. The debate focused on the topic 'It is beneficial for students to participate in community service or volunteering as part of their education.' and 'ज्ञानको स्रोत पुस्तक कि इन्टरनेट'. The winners were Pasang Doma Sherpa taking first prize from grade 7 and Prapya Mishra from grade 5.

Community Hours

Aadarsha Khatri, Raunak Thapa Magar, Dikshanta Raj Sapkota, and Soyush Gautam completed a four-week community service at Back on Track Nepal Bloom Nepal School Foundation in Lubhu and Richok Irang Basic School in Dhading. Aadarsha and Raunak taught coding to the students of Grades 8 - 10 while Dikshanta and Soyush mentored students from Grades 3 to 5, focusing on Maths, Science, and English. Their efforts were rewarding as they witnessed growing curiosity and enthusiasm among the students. Despite facing challenges that tested their patience and dedication,

the experience was deeply satisfying. They appreciate the school's support, which made their volunteering impactful, and look forward to future opportunities.

Field Visit to Patan Industrial State | Grade 6

Grade 6 students visited Patan Industrial Estate on August 30, 2024, where they watched artisans create beautiful sculptures, crafts, and various industrial outcomes. This hands-on experience deepened their understanding of their studies, enhanced their knowledge of how materials are used to bring out new products, and fostered an appreciation for Nepal's rich culture.

Teachers Together National Meet Up 5th Edition

On August 31, 2081, Deerwalk Sifal School hosted the 5th edition of the Teachers Together National Meet Up, with 86 attendees from 50 preschools.

The day featured two main sessions where Dr. Meenakshi Dahal discussed Socio-Emotional Learning, focusing on nurturing emotional intelligence and supporting children's emotional needs, while Dr. Smriti Mathema talked about Child Health and Hygiene emphasizing health practices and creating a supportive environment. Additionally, three volunteer teachers from Deerwalk Sifal School led workshops on Google Workspace, AI, and Scratch Programming. The event also included student performances and concluded with certificate awards and a group photo, highlighting a day of growth, learning, and networking.

Deerwalk Sifal Night | ES

The Deerwalk Sifal Night, held on August 30 and September 13, was a memorable event celebrating student talent and growth. Grade 1 and 2 students impressed with lively dances and creative art displays, including beautiful Mithila Art. For Grade 3 and 4, the evening featured energetic dances, musical performances, ITF and yoga demonstrations, and imaginative art exhibits. Parents enjoyed their children's hard work and achievements, making the event a joyful and proud occasion for all.

Orientation on Disaster Risk Management | Grade 3 & 4

Mr. Dorendra Basnet led a successful orientation on Disaster Risk Management for upper-level Elementary School students, focusing on Nepal-specific disaster scenarios. Students learned safety and preparedness skills, including identifying shelters, evacuation routes, and assembly points. The engaging session saw active participation and provided valuable knowledge on disaster causes and mitigation.

First Advisors' Meeting | Middle School

Middle school conducted the first 'Advisors' Meeting' on September 4, 2024, where students engaged with their teachers, who will serve as their advisors throughout the academic year. The purpose of forming such groups was emphasized, focusing on creating a supportive network where students can freely discuss academic progress, personal growth, and any concerns they may have.

Field Visit to Jyapu Pragya Bhawan | Grade 2

The Grade II field trip to Jyapu Pragya Bhawan (Jyapu Academy) successfully fulfilled its primary objective of showcasing the intricate and exquisite traditional Newari architecture along with providing a rich cultural experience for the students. They actively engaged in observing, identifying, and differentiating between the various crafts and artworks that vividly represented Newari culture.

Graduation | Class of 2024

The graduation day for the Class of 2024 was celebrated on September 14, 2024. The event started with Swasti Bachan and the National Anthem, followed by a warm welcome speech. Students from various clubs like the DSS STEM Club, Foreign Language Club, and others were recognized for their contributions. Awards were given to the Best Class Representative, Best President, and those excelling in internships, community service, public speaking, and writing in Nepali and English. Top readers, standout students in lab and project work, and top performers from grades 1 to 12 were also honored. Special speeches were given by parents and faculty, and the ceremony ended with Graduation Certificates being awarded, a Valedictorian speech, and a speech by Mr. Hitesh Karki, the chairperson of the Deerwalk Group, marking a joyful end to the Class of 2024's high school journey.

Children's Day Celebration | ES and MS

The Elementary and Middle Schools celebrated Children's Day on September 12 with a series of engaging performances. Vice Principal, Ujjwal Poudel, gave a captivating musical performance, followed by a lively dance routine by the teaching staff. Grade 4 students performed a skit about their daily lives and relationships, while students sang an English song. Middle School teachers presented a drama highlighting the challenges parents face with unmotivated children. The day ended with a vibrant dance routine by the staff, making the event memorable for everyone.

Special Assembly | Sifal School

On 25th Bhadra, 2081, the Elementary School held its inaugural Special Assembly, led by Captain Eedha Bista and Vice-Captain Aradhya Gopal Aryal, featuring 11 student performances. Vice Principal Mr. Ujjwal Poudel praised the students and announced that these assemblies would occur monthly on the last Wednesday. On 27th Bhadra, the Middle School held its assembly with Captain Hardik Sharma and Vice-Captain Rushka Sapkota, showcasing various talents and awarding Master Bishrant Sitaula for winning the Inter-School Table Tennis competition. Middle School assemblies will now be held monthly on the last Thursday. High School assemblies occur every Friday on the last week of each Nepali month, with awards for the Book Review - खाइराइड and speeches from Vice Principals on academic performance and discipline.
